

Chapter Meetings resumed dynamically

At the beginning of September, chapter meetings began across the country, and evangelism activities resumed following the students' three-month long holiday.

At the start of the 2026-2027 academic year, TFC chapter meetings kicked off with great enthusiasm as all the schools were well-prepared; chapter leaders took time to pray and entrust the new term to God, asking for His presence with them, as they were ready with King of Glory series material by Rock International being used especially in Kigali as starting points but very huge positive change since we start using this materia.

Reports from various provinces indicated that, while some students had experienced a spiritual setback due to the long break, the majority particularly those we were following up with through the Discipleship Class program remained spiritually strong. During the first week of September, we focused heavily on teachings designed to awaken them spiritually and remind them of the purpose for which God created them.

NEW REGIONAL COORDINATOR

The TFC Board appointed a new staff member to represent Rusizi District in the Western Province. Pascal was appointed as the new Regional Coordinator for Teens for Christ Rwanda in Rusizi and Nyamasheke Area. He will be officially full time in January 2027 now acting as Interim Coordinator. On other hand Gratien who has been faithful acting in this position for years will be his Deputy. He is very glad to welcome Pascal who have served TFC since the Year 2015-2018 in the same position.

TABITHA PROJECT STUDENTS CLOSED 6 MONTHS PROGRAM

Concerning Tabitha Project School, students from the seventh cohort completed their studies and exams; their papers were graded and scores issued. Additionally, an inventory of stock was conducted and a handover report prepared, as the project is no longer operating at the Kigese location while awaiting a new site meanwhile their graduation is being scheduled in November this year. We are expecting graduands will receive tailoring machines eventually keep their businesses for self-sustainability and spiritually equipped.

TEENAGER'S TESTIMONY

My name is Jean-Claude, i have got 5 siblings. I grew up loving football, but I later added worshipping God and preaching to my peers to my life; I have hope and faith in God, though I wasn't always this way. Three years ago, when TFC staff came to teach at my school, the message they shared deeply impacted me; I regained hope for life and felt a joy mixed with the hope that I would see my mother again.

What did happen to my mother?

She had a conflict with neighbors, and they had her imprisoned due to a conspiracy; the dispute arose when she tried to mediate a disagreement between neighbors the party at fault claimed she had judged the matter unfairly and later fabricated false charges against her in a separate incident, leading to her imprisonment.

She has now been in prison for five years, and our family has suffered emotionally as a result.

However, hearing God's word at a TFC meeting restored my strength and gave me hope that I would see her again; this boosted my confidence, and I began praying including praying for those who are suffering.

THE TABLE BELOW SHOW HOW MANY PEOPLE WE ARE SERVING EVERY SINGLE WEEK

Weekly evangelism	School of Discipleship	Salvations	Children Sponsorship	Tabitha Project	Sport Ministry	Feeding program
Total 75083	Total 791	Total 741	Total 159+	46 today	Total 532+	320+

PRAYER REQUESTS:

Prayer requests, concerns, problems:

- i) We request God to provide financial support for TFC Rwanda to Move into two new big Cities to run new chapters and social programs for the new year 2027.
- ii) We pray for the opening of more chapters in Kigali and in other provinces.
- iii) We pray for opening more new Schools of Discipleship
- iv) We pray for the graduation ceremony of 96 teenagers which is scheduled on the 31 October 2026.
- v) We pray for the funds to organize the Core -group members training for this academic trimester.
- vi) Pray for the funds to organize the retreat of TFC Partners – School Directors which is scheduled in December 2026, as the last one has not taken place in this month due to the shortage of funds.
- vii) We pray for TFC Rwanda, the Executive Director MBANZABUGABO MUTETERI Aminadab in ahis trip to the US
